A few old couples used to get together to talk about life and to have a good time. One day one of the men, Harry, started talking about the fantastic restaurant he went to the other night with his wife. "Really?", one of the men said, what was it called? After thinking for a few seconds Harry said, "what are those good smelling flowers called again?" "Do you mean a rose?" the first man questioned. "Yes, that's it, he exclaimed. Looking over at his wife he said, "Rose what's that restaurant we went to the other night?"
