**CHILDREN'S CHURCH SCHEDULE**

April 13, May 4, 11, 2014

\*\*\*\*\*

**IN THE BEGINNING**--Chris' heart started beating 18 days after conception. Chris may have a different blood type than the mother's. Chris' neural tubes are forming and will develop into the nervous system. Already, Chris has the foundation for thought, senses, feeling and more. The amniotic sac, which will house Chris, is formed and the amniotic fluid will cushion Chris throughout pregnancy. Chris now has a yolk sac which supplies blood and nutrients until the placenta has developed and is ready to take over. "Your own hands shaped me, modeled me."

**EASTER FLOWERS**--If you would like to place the name of a loved one as a memorial on an Easter Flower this year please put the name and \$15 in the collection basket by Palm Sunday. You may also make a donation toward the cost of the Easter Flowers and decorations.

**ON GOOD FRIDAY** our parish will support Christians in the Holy Land through Good Friday Collection. Please support our brothers and sisters in the Holy Land by giving to today's special collection. The pontifical collection allows for care of Christianity's holiest sites and for God's people living in the Holy Land.

**EASTER COLLECTION-A BLESSING FOR PRIESTS**--Did you know your Easter offering is set aside for three important needs? The Archdiocese is blessed with 35 seminarians now in formation for the priesthood, along with several men in application for the Fall of 2014. All rely on your generous donations to the Easter collection to cover their tuition and expenses. The Easter collection also funds the continuing education and spiritual formation of priests. Finally, your contribution supports our beloved retired priest, who after many years of faithful service will remain pastorally active throughout their "golden years." Please give generously to the Easter collection and continue to pray for our priests and for vocation's to the priesthood. Thank you.

**\*\*PRAYER:** Don't give God instructions, just report for duty!

## What is the best way to dispose of palms?

How do we dispose of last year's palms?

Every year on Passion Sunday (Palm Sunday), palm branches are handed out and blessed as a powerful reminder of Jesus' entry into Jerusalem.

We keep palm branches for two reasons. First, they symbolize our desire to accompany Christ through Holy Week. Second, they symbolize Jesus' desire to enter our homes and accompany us on our journey as we face our own Good Fridays. Taking the palms home and placing them behind a crucifix or holy picture is a powerful reminder of that.

Many parishes ask their members to bring the palm branches they received the previous year to church on the Sunday before Ash Wednesday. These branches are burned to make the ashes that are distributed on Ash Wednesday. After a time, palm branches get brittle and break easily, so if your church doesn't collect them it's OK to break the palms up and burn them yourself.

The number of palm branches we have in our homes isn't important. Palms and other articles of devotion such as medals and scapulars don't bring good luck or wealth, and we shouldn't try to use them in that way. We should use them to remind us of the goodness of God and the salvation Jesus brings us.
