IN THE BEGINNING--(week 23)"I have fine hair all over my body that is there to protect my skin. I'm a little thin at this point but am putting on more baby fat. My eyes are formed, but the iris does not have color—I'd like brown eyes!" Chris will lose all this body hair before birth. Chris now weighs over a pound and is about a foot long. 50 years ago, if the baby was born at this age, the child could not have survived. But today, with modern technology, babies born at this age have a fighting chance (about 50%) of survival. *"Indeed, the very hairs of your head are all numbered Don't be afraid; you are worth more than many sparrows."* (Matt 10:30-31)

Then the rest of the game everybody was yelling get the quarter back, get the quarter back, get the quarter back. So I thought to myself, what's the big idea, it's just a quarter!"
