Marriage Minute June 17, 2018 The Dignity of Dads

How do our children experience the tangible love of God? Pope Francis reminds us in Amoris Laititia of the importance and dignity of being a parent when he said, “The love of parents is the means by which God our Father shows his own love.”

Aside from the obvious mission of participating with God in the creation of life, each parent has a daily mission to make God’s love concrete by the way they love their children. How do Dads do this?

Spending quality time with the family • Providing food and shelter • Teaching virtue and morals • Showing affection to wife and children • Offering forgiveness • Using proper discipline

This Father’s Day, encourage the dads you know to be courageous in this important mission!
