Pastor's Desk

Dear Brothers and Sisters in Christ Jesus,

We had a wonderful Parish Picnic last Sunday. I want to thank all those who worked so hard to make it a success. Particular thanks to the Officers and all the members of the Altar Society, all the Parish Council members, and all the volunteers who helped with the picnic in whatever way they could. Thanks to all those who donated any items to the picnic and for all the parishioners' participation.

I was a bit concerned when I read the forecast for the day, as I was entrusted with the job of praying for good weather. But the weather held out and we once again enjoyed a wonderful time of food, and fellowship and of course, many games and activities for the children and adults! Thanks to everyone for your participation and involvement. It was a fun and blessed day!

I also want to wish you a blessed and safe July 4th holiday! I encourage you to sanctify the July 4th holiday by attending the Holy Mass. This year we will have the Holy Mass at both of our churches - St. Mary's and Sacred Heart. Please see below for the mass times. I hope it will be an additional day of rest, filled with gratitude for our nation and the many women and men who have sacrificed so much so that we could experience the blessings of freedom as designed by our Creator.

Happy Fourth of July!

TREASURES FROM OUR TRADITION

As Independence Day draws near, we think of the men and women of the military who serve with courage and competence, some far from home. How does the Church accompany them? In 1939, Pope Pius XII created an independent jurisdiction of the Catholic Church called the "Military Vicariate." In 1985 Pope John Paul II created the "Archdiocese for Military Services, USA." Spanning the globe and serving nearly one and a half million Roman Catholics, more than one thousand priests minister in hospitals, on military bases of all the armed forces, on ships at sea, and on the battlefield. The AMS does not ordain priests, but accepts priests on loan from religious orders and dioceses.

In 1824 a Jesuit priest named Adam Marshall enlisted in the Navy and died at sea in 1825. He was assigned as a "schoolmaster," but he sought out and ministered to Catholic sailors. Twenty years later, President Polk was worried that the war with Mexico was seen as anti-Catholic, so he recruited two Jesuit priests to serve in the army as chaplains. At the time of the Civil War, only about ten percent of Americans were Catholic. Military policies forced Catholic soldiers to attend Protestant services. The Church protested this rule, and many priests volunteered to become chaplains. Their witness and the courage of the "Nuns of the Battlefield" (several orders of sisters who assisted Civil War victims) helped temper prejudice against Catholics & pave the way for the life and ministry of this vigorous and unique archdiocese. *Rev. James Field, © J. S. Paluch Co.*
