From the

Pastor's Desk

Dear parishioners,

Our Archdiocese has embarked upon *One Faith, One Family One Future in Christ* capital campaign to fund some projects that will meet some of the important needs of our Archdiocese. And as part of Block One, our Parish has been challenged to raise \$115,000 towards this cause.

This is not the best time for us to have a capital campaign as the last couple of years have been very challenging for us with less than normal rainfall. At the same time, I believe that great things are achieved when the going is tough. 25% of all funds raised from our parish will be returned to us to meet our own parish needs.

I am sure, by now, you've received a letter from the Archdiocese on my name, requesting a monetary commitment. All I ask is that you prayerfully consider the appeal for a sacrificial gift and help our parish reach its goal. As your pastor, I am constantly gratified by the ways that you and other members of our parish family have continued to promote the "common good" through service and sacrifice.

Thank you for your presence at St. Mary's Parish. I pray that all of us at St. Mary's, will continue our best efforts to be a great and vibrant parish, inspiring prayerfulness in our liturgy and warmly welcoming all those who pass through our doors. Blessings, Fr. Regie.

TREASURES FROM OUR TRADITION

Last Wednesday, the greatest pilgrimage in our tradition ended with the feast of Saint James at his shrine in Compostela, Spain. Every year, as many as a hundred thousand persons walk a portion of the medieval way of the pilgrim, earning the right to wear the scallop shell symbol of this journey of faith. In legend, this city on the northern coast of Spain is the final resting place of the apostle, and the full name of the cathedral is "Saint James of the Field of Stars." There is a tradition that Saint James the Great preached there. In the Roman Catholic tradition, the pilgrimage, like any procession, is a symbol, life's journey distilled, a powerful sign of our journey toward a certain goal. The perils of the road, the support of companions, the contemplative slower pace of life, have the potential to transform and renew the pilgrims in ways that last a lifetime. Along the way, the distinctions between rich and poor fall away, and everyone shares humble rustic food and stops for the night in hostels or under the stars. After a long walk, the experience of entering through the great doors into the vast cathedral filled with incense, light, & song is a foretaste of heaven. The pilgrims often say that their whole lives are redirected toward that moment of entry into the heavenly Jerusalem. The most memorable feature of the cathedral is called botofumeiro, an incense burner on pulleys and chains that sweeps through the cathedral in immense circles, swirling clouds of sweet-smelling incense around the vast nave. - Rev.
