World Mission Sunday !

This weekend we celebrate World Mission Sunday. Pope Pius XI first instituted this celebration in the Church in 1926 & the 92 years since have provided us with the opportunity to recall that the missionary work of the Church is not only the responsibility of those serving in missionary countries but is the vocation of all the faithful. By Baptism, all Catholics are called to participate in the mission of the Church.

World Mission Sunday supports the pastoral and evangelizing programs of more than 1,150 mission dioceses in Africa, Asia, the Pacific Islands and Latin America. Your donations help support churches, hospitals, schools, seminaries and vocations in countries where the Church is new, young or poor. The funds gathered on World Mission Sunday are distributed in the Pope's name by the Pontifical Mission Society. Please use the mission Sunday envelopes found in your packet for your donations. May God bless you!

TREASURES FROM OUR TRADITION

As election campaigns move into high gear, sometimes the phrase “the Catholic vote” is heard. It’s an interesting concept, since Catholics started out in this country as a very fragile group: fewer than forty thousand of us at the time of the first census in 1790, and only about 2 percent of the population by 1830. It was a priestless church for all intents and purposes, lay-led clusters of Catholics waiting patiently for the occasional visit of a priest, sustained by gathering when they could on Sunday for devotional prayer like litanies and the rosary. They tried to hold on to their ancestral faith as best they could. Archbishop Jean-Louis Cheverus told one family in Maine to “every day say your prayers on your knees with affection, and every Sunday gather to hear the Gospel, to pray in common, and to quiz the children on the catechism.”

Inevitably, some became Protestant, but many more stayed Catholic from generation to generation, with very little encouragement or sacramental ministry from the clergy. Archbishop John Carroll, the first American bishop, tried to make Church law flexible: shortening the length of the fast before Communion, easing the Lenten fast, and even relaxing the rule of Sabbath rest at harvest time. Catholicism in England had been quietly sustained in this way for two centuries, and the first American Catholics carried on as had their ancestors, providing a fertile soil for the unprecedented success and phenomenal growth of the Church in our country. - Rev.
