From the

Pastor's Desk

Today as we celebrate the final Sunday in the Church year, we celebrate the Feast of Christ the King. Next Sunday, we begin the Holy Season of Advent. As we enter this Holy Season, I encourage you as a family to consider small ways that you can enter into the Season. One small way might be to follow the **Advent Calendar** that is inserted in this bulletin. Each day of the calendar has short suggestions for prayer, activity, or reflection to mark the time during the weeks before Christmas. Also, make a date as a family to go to the Sacrament of Reconciliation to receive the gift of God's forgiveness. Have a blessed Advent Season!

Please Note!

Dear parishioners, we've been advised by our concrete contractor not to use salt or any ice-melting chemicals on the new concrete as they can damage the new concrete. In challenging conditions, our parish council members will be available to give a helping hand while ascending or descending the steps. If there are severe weather conditions that make attending Mass dangerous to your safety, please know that you are excused from the Sunday obligation in such situations. Thank you.

Treasures from our Tradition

Although our Puritan forebears at Plymouth Rock were almost a hundred years removed from their Catholic roots, the old liturgical calendar still had an unconscious claim on their hearts. We've already seen how on Saint Martin's Day, November 11, medieval continental Europe observed a great harvest day of Thanksgiving, with games, dances, parades, and a festive dinner of roast goose. With the goose went ample draughts of "Saint Martin's Wine," the first wine of the new harvest. Martinmas celebrated full barns and larders stocked for the winter. Even after the Reformation, the tradition of eating goose on Saint Martin's Day was retained in Holland, and it was there that our Pilgrims encountered this tradition. When Governor Bradford sent four hunters out into the Massachusetts wilderness in the autumn of 1621, they did indeed find some geese and ducks, and were persuaded by the indigenous people to try turkey, too.

Just as the liturgical calendar has been tweaked over the years, President Roosevelt moved Thanksgiving to the third Thursday in November in 1939, probably to extend the Christmas shopping season. The protest was so great that in 1941 the day established by President Lincoln, the last Thursday in November, was restored. If the Pilgrims had known of the Martinmas connection, they might never have celebrated at all! —Rev. James Field, Copyright © J. S. Paluch Co.
