### World Marriage Day

Each year World Marriage Day is celebrated on the 2nd Sunday of February. World Marriage Day honors husband & wife as head of the family, the basic unit of society & salutes the beauty of their faithfulness, sacrifice and joy in their witness in their marriage and to the world.

The World Marriage Day Symbol speaks of the role and values in marriage. Husband & wife are symbolically seen as two candle-like figures, reminding us that married love calls us to help enlighten the world. The couple is joined by a heart, focusing on love as the power that fosters unity within the couple and generates the capacity to be life-giving and inspire others to fruitfulness and unity. Let's celebrate this day in our families.

### Anointing of the Sick

February 11 has been designated as the World Day of the Sick, since 1992 in commemoration of the Feast of Our Lady of Lourdes. This weekend, we will celebrate the Sacrament of the Sick during the Saturday evening mass at Sacred Heart and Sunday morning mass at St. Mary's.

## Treasures from our Tradition

The Reign of God comes about because people commit to reversing their lives completely, to embracing new vision, new values. Many popular television shows exploit an unattractive side of human nature by pitting contestants against one another, even to the point of performing dangerous stunts or devious schemes, to gain money or favor. At the liturgy, we counter that impulse by committing ourselves to live generously. In response to Christ's total gift, we offer bread and wine as the emblems of our lives, our hopes, our joys and sorrows. The bread and wine carried to the altar contain our lives, and by offering our lives to God, we prepare to receive the gift of God's own life. We are to become what we receive: the body of Christ.

On Sundays, this self-giving is often accompanied by a collection and procession of gifts for the poor & money for the upkeep of the parish. There are certainly other methods of collecting money, some perhaps more efficient. Yet the act of giving from our abundance, and attending to the needs of the poor, opens us up to participation in the changes the Reign of God requires.
