Treasures from our Tradition

Hollywood has given us an image of Moses slipping off his shoes before a burning bush. God has just called Moses by name, and so that Moses doesn't miss the meaning of this breakthrough in human history, God requires that all barriers to the experience be eliminated. If you've ever tried to maneuver barefoot across hot sand, or pick your way along a rocky beach, you know how sensitive feet can be.

Within the Church, there are religious orders with a custom of going barefoot, not merely to show poverty, but to be an outward sign of a desire for connection with creation, a desire to go through life alert to what God is doing. In early days, when reconciliation was a once-in-a-lifetime possibility, penitents often went barefoot for a long period of time as a sign of their conversion. Even today, people follow an ancient practice of slipping off their shoes to walk in the procession to the cross on Good Friday. It is striking that the first use of our newly-scrubbed feet from Holy Thursday night is to walk resolutely in the footsteps of Christ to the cross. —James Field, Copyright © J. S. Paluch Co.

Easter Flower Memorials

Easter offers us a special way of remembering our loved ones who are deceased. Place your intentions in the envelope marked "Easter Flower Memorial" and drop it in the collection basket at weekend masses or mail them to the parish office. The intentions will be remembered at the Easter Masses & your donations will be used towards decorating the sanctuary with Easter Lilies. The suggested donation is \$15/Lilly.

Strength to split Rocks

Do you know that oftentimes a root has split a rock, when suffered to remain in it? Give no judgment to the seed of evil, seeing that it will break up your faith. *St. Cyril of Jerusalem*

UNPLANNED

On March 29-31, please consider buying a ticket for opening weekend of the movie Unplanned which is the story of Abby Johnson, a former Planned Parenthood clinic director, who only wanted to help women and thought PP was helping her do that... until the day she saw something that changed everything, which led her to join her former enemies at 40 Days for Life and become one of the most ardent pro-life speakers ever.

Depending on its success this weekend, theaters will decide how long to show the film. So tell EVERYONE to go see it! For more information on this movie go to unplanned.com.
