Pastor's Desk

Dear sisters and brothers in Christ,

This weekend, we celebrate the feast of Corpus Christi which translates from Latin to "Body of Christ." The Feast of Corpus Christi, or the Feast of the Body and Blood of Christ (*as it is often called today*), goes back to the 13th century, but it celebrates something far older: the institution of the Sacrament of Holy Communion at the Last Supper. While Holy Thursday is also a celebration of this mystery, the solemn nature of Holy Week, and the focus on Christ's Passion on Good Friday, overshadows that aspect of Holy Thursday. In most of the Catholic world, the celebration of Corpus Christi takes place the Sunday after the Holy Trinity feast.

This very short novena, or nine-day prayer, can be prayed at any time, but it is most appropriate in the nine days before or after the Feast of Corpus Christi. Christ's Body and Blood in the Sacrament of Holy Communion are our true food as Christians, giving us the strength to live our lives in union with God.

Short Novena for Corpus Christi

O Lord Jesus Christ,

You who have given us Your precious Body & Blood to be our meat and drink,

grant that through frequent reception of you in the Holy Eucharist,

I may be strengthened in mind and body to do Your holy will. Amen.

Jesus in the Blessed Sacrament, have mercy on us.

Treasures from our Tradition

We owe today's beautiful feast to a valiant woman who suffered a great deal to establish a feast out of her love for the Eucharist. Juliana was a nun in Belgium in the thirteenth century. She served in a hospital for lepers. She became convinced through her prayer that the liturgical year was incomplete because it had no feast for the Eucharist. Her efforts were not welcome, and a supervising priest sought to punish her for promoting a feast that "nobody wanted." He even had her accused of financial mismanagement and banished her from her convent.

Shortly after she was exiled, the bishop approved the feast. It quickly spread through Europe. In those days, people very seldom received Holy Communion, and so the processions through the streets with the eucharistic bread not only led to an awareness of Christ's hunger to be with us, but prepared the way for a deeper desire to receive Christ's Body and Blood in more frequent Communion. The feast grew rapidly, but Juliana disappeared into poverty and a hidden life. She ended her days as an " anchoress," a woman living in seclusion in a room attached to a parish church. Imagine her delight at seeing us gathered at the table of the Lord on this day, aware of Christ's presence in our midst, sharing fully in Christ's Body and Blood. Our celebration today invests her struggle and sorrows with dignity and meaning. —Rev. James Field, Copyright © J. S. Paluch Co.
