## Treasures from our Tradition

Although June is the month most associated with weddings in the United States, September has become more popular in recent years. Wedding celebrations always require some savvy planning, and people who have a talent for hospitality in the mix. At the wedding feast at Cana, the mother of Jesus was recruited to deal with some of the details of the banquet, and when a very understandable crisis arose, she did what she could to rescue the party. Anyone who has ever run out of ice, dessert, or table settings knows the stress!

Slowly, the memory of Jesus Christ's blessing of this marriage feast led the Church to form a way to bless marriages. A thousand years ago weddings migrated from the family home to the doors of the church, where the celebration was held in public view. From this practice came a prayer called the "Nuptial Blessing," one of the most solemn prayers in our tradition. It is very much like the prayers by which baptismal water and chrism are consecrated, the ordination prayer over a priest, and the Eucharistic Prayers over bread and wine. Four hundred fifty years ago, weddings moved inside the church building. All of this gives married couples good reason to celebrate their anniversaries well, especially with the clinking of glasses filled with good wine.

### Marriage Minute

One of the most popular saints of the past 150 years is St. Therese of Lisieux. Therese's spirituality made holiness accessible to all because she emphasized doing little things for Jesus. Jesus remarks to this wisdom in this week's Gospel when he says, "The person who is trustworthy in very small matters is also trustworthy in great ones."

In marriage, we build trust for the mission of marriage through small daily acts of love like:

- ◆ Validating spouse's feelings instead of trying to *fix* them.
- ◆ Keeping the overall culture of the home light and romantic instead of surrendering to the heaviness of stress.
- ◆ Cleaning the kitchen counter and loading the dishwasher before you are asked.
- ◆ Praying with your spouse before you head your separate ways for the day.

The next opportunity for marriage growth is Worldwide Marriage Encounter, [www.WWME.org](http://www.WWME.org) October 3-5.

### God is on the side of the Poor

Two of today's readings make it quite clear that God is on the side of the poor. Amos describes in detail the exploitation of the poor and needy. The psalm repeats that God acts to benefit the poor and lowly. But Luke turns things upside down, telling a tale of a conflicted steward, about to be fired, who demonstrates his cleverness and is rewarded. Like the community to whom Paul writes in Timothy, these readings are personal, directed to believers, who struggle to deal with personal choices about how to conduct their lives. They offer an outline for how God wishes us to live in a world as complicated & as confusing as our own. -Copyright © J. S. Paluch Co.
