Reverse the Ruling

Please sign the petition cards today if you haven't already done so to encourage the Kansas Legislature to reverse the ruling by placing before Kansas voters a state constitutional amendment restoring reasonable abortion limits. The Kansas Supreme Court recently created a nearly unlimited "right" to abortion in Kansas, effectively rolling back decades of enacted life-saving limits on abortion.

The petition cards are in the back of the church. For Online signing please visit www.kansascatholic.org Our Lady of Guadalupe, Patroness of the Unborn, pray for us!

All Souls Day

The devotion to the memory of the dead is one of the most beautiful expressions of the Catholic spirit." – Pope St. John XXIII. The month of November is a time when people particularly remember to have Masses offered for the dead, especially for family and friends. The Catholic Church dedicates the entire month of November to the Holy Souls in Purgatory. During this entire month, we pray for the souls of the faithful departed, especially those whom we have known and loved. Multiple intentions will be accepted at all the weekend masses in this month. Please call the office to book a mass.

Treasures from our Tradition

Although the hours of daylight are rapidly dwindling, many people would say that these October days bring the year's most splendid weather. Americans are riders and joggers, not strollers, and so the pleasures of the season are often lost on us. This is not the case with many Jewish people, who observe an ancient rule in walking to synagogue on the Sabbath. On city streets and suburban sidewalks in many cities, we may notice around sunset the nicely dressed families walking and chatting on Friday afternoon. After a short prayer at dusk, the families stroll home again for a relaxing and festive meal. They return to synagogue in the morning, and then spend an afternoon in family leisure until three stars appear in the night sky and Sabbath ends.

Catholics, on the other hand, pile into the car and drive even a short distance to Mass; some even divide the family to participate at different hours. For Jews, the leisurely walk marks a dividing line between hectic life commitments and a day of abundant joy and enrichment. Before we became an automobile culture, Catholics embraced a similar pace, and in most places walked to church. These lovely days of fall invite us to tap into an old and life-giving tradition. If you live within a mile of your church, walk next week. If you must drive, park at a good distance and walk the rest of the way. Talk about your life, greet strangers, notice the crunch of leaves under your shoes. You may be surprised at how different Sunday Mass feels when it is framed by leisure! -James Field, Copyright © J. Marriage Minute

Life is full of battles, and we were never meant to fight them alone. This weekend we see Joshua on the front lines being supported by Moses' prayers. We also see Aaron and Hur literally supporting Moses in his role as intercessor. Sometimes in our marriages, we are Moses, supporting our spouses as they fight the difficult battles of life. During these seasons, we need to reach out to our own "Aaron and Hur" for the support WE need too!

- ◆ Ask a friend to set up a meal train or other practical help.
- ◆ Share your struggles with a marriage-friendly friend who will not let you "vent" about your spouse.
- ◆ Seek prayers!
- ◆ Consider counseling: archkck.org/catholic-counselors. Also, be quick to offer help to others who may need it. We need one another if we are to build a strong culture of marriage! www.JoyfulMarriageProject.com
