Pastor's Desk

Dear Parishioners,

This past week I sent out a group email/text message to all the parishioners about switching the Sunday Mass time with Baileyville parish which means having the 8:30am Mass in St. Benedict and 10am Mass in Baileyville during the hot summer months specifically from Memorial Day to Labor Day weekend. I have received responses from 63 households of which 85% are in favor of the change.

I wish to hear from the rest who have not responded yet. If you have not responded yet, please do so by Tuesday of this week. If you are not too familiar with email or texting, you can call 785-336-6464 and leave your message. If the percentage in favor of the change remains high, the change will take place from the 2nd Sunday of July (July 12). As far as Baileyville parish is concerned, it looks like they are willing to accept the change.

This is just an experimental phase. If we don't like the change, we can always go back to our normal schedule. I wish the best for our parish. The goal is to make it as comfortable as we can for all of us and to keep our parishioners from attending Sunday services in other parishes just because it's too hot in St. Mary's in the summer.

### COVID-19 UPDATE

Though many of the restrictions on gatherings have been lifted for our churches, we are still strongly encouraged to remain vigilant when it comes to matters of health and safety. Please continue to maintain social distancing as much as possible in the pews and especially remember to do so in the communion procession.

Wearing mask has been left optional. I find it interesting to see that when mask-wearing was made optional, more than 90% of the people suddenly stopped wearing masks. Please remember as well that it is not appropriate nor productive to "shame" those who wear masks. We should all strive to treat everyone with dignity and respect.

A few other updates in regards to the sacraments and life at the church during this time:

I've been hearing confessions by appointment only. From next weekend onwards, I'll be available in the confessional. When going to confession, I'd encourage you to go behind the screen. Please wipe down the kneeler after the confession.

It is fine to schedule baptisms as they will be celebrated outside the Mass. Weddings & funerals will be celebrated with social distancing. Funeral luncheons are still not allowed at this time. Alternatives such as catering at home or at an outdoor venue might be possible, especially if the numbers are not large. Parish hall will not be available yet for any event.

Visits to the homebound or sick can be somewhat of a challenge. Some care facilities are still not allowing visitors and we must respect those policies. That being said, if someone is dying or in danger of death, please contact me anytime.

Parish meetings can be conducted, but again, with social distancing. As we continue to adjust and adapt, let's do the best we can to flatten the curve under the circumstances we face. Thank you for your cooperation.

### Christian Hospitality

Day in and day out, we are required to make judgment calls informed by tough, durable, serviceable Christian love. We do what we can do, and God takes notice. God is in charge of rewards, and a glass of water will do when that is what we have to offer with a glad and open heart.

Paul gives us a clear theology for the missionary work we do whenever anybody is close at hand. He reminds us that our work, our ministry, is carried on in concert with Christ. We have been baptized into his death and life. In any given moment both life and death are there, a kind of play of shadow and light. Sometimes it's difficult to tell where shadow leaves off and light begins. God will take care of that, too.

Wishing you all  
a very safe & fun-filled  
Fourth of July.

## Saint Junipero Serra (1713-1784) July 1

No one who has stood before the quiet majesty of Mission San Juan Capistrano, or the altogether different but no less lovely Mission Dolores in San Francisco, or any of the missions from San Diego to Sonoma can fail to bless the Franciscan *padre* who, while not founder of each, was inspiration for them all, Saint Junipero Serra. Abandoning the comfortable academic life to which his doctorate in theology entitled him, Serra journeyed to the New World where his tireless traveling, dramatic preaching, and penitential austerity converted thousands of native peoples. Saving souls and celebrating the sacraments were Padre Serra's primary mission but not his only one. Education in letters and crafts, trades and agriculture transformed the people, while roads and irrigation systems transfigured the landscape. His more than thirty years of ministry were not free from conflict with authorities or without controversy in the retrospectively critical eye of history. But when John Paul II beatified him in 1988, he praised Padre Serra for assisting his converts to use their new faith to advance their true human development.

### An Act of Spiritual Communion

My Jesus, I believe that You are present  
in the Most Holy Sacrament.

I love You above all things,  
and I desire to receive You into my soul.

Since I cannot at this moment  
receive You sacramentally,  
come at least spiritually into my heart.

I embrace You as if You were already there  
and unite myself wholly to You.

Never permit me to be separated from You. Amen.

### Voter Registration Announcement

One of key tenets of being a faithful Catholic is faithful citizenship. Every Kansas State Representative and State Senator office will be on the ballot in 2020. One of the most effective ways to ensure fair and just public policy (laws) is by electing people into office who share Catholic values and the ultimate goal of serving the common good. In order to participate in the upcoming August 4th Kansas State Primary Election, citizens must be registered to vote by July 14th.

To register, please visit: [www.kansascatholic.org](http://www.kansascatholic.org). It is important to register especially if you recently turned 18, recently moved, have not voted in recent elections, or if you are unsure if you have registered in the past. Registering to vote ensures that you are able to vote and that you are voting at the correct polling location.
