### Cemetery Project and Parking ...

Thanks to the volunteers who this past week worked to place the additional 160 feet of parking east of the directory board along the south side of the cemetery. Appreciation goes to Wayne Schmitz and Elmer Ronnebaum for organizing the project.

The cemetery committee plans to plant Ivory Silk Lilac trees along the south fence and shrubs around the directory board. Anyone wishing to donate a Memorial Tree, please contact one of the Cemetery Committee members or Mary Beth in the next couple of weeks. The cost is \$300 each. An appropriate recognition of donors will be displayed in the directory board display case. Thank you.

### St. Mary's Parish Appreciation Day

Even though we had to cancel our parish picnic this year due to Covid-19, there has been a tremendous financial support through donations to compensate the loss of picnic revenue. As of date, we have received \$30,330.00 from 116 donors from our parish.

To show our appreciation to our parish members & also to use this opportunity to gather as a parish family, the Parish Council together with Altar Society have decided to have a Parish Appreciation day on **Sunday, October 11<sup>th</sup>**.

Please mark your calendar and join us for a Pulled pork sandwich meal serving from 11 am-1 pm at the Parish Hall with outdoor seating available. Meals to go will be available upon request. Free will donation will be available if you so choose. A small auction & raffle will take place. This event is reserved for St. Mary's Parish families ONLY.

## Saint Pius of Pietrelcina (Padre Pio) (1887-1968) September 23

Did the World War II American flyer really see Padre Pio in midair, preventing the bombing of his village below? Did Pio actually “bilocate” in Italy, the Holy Land, even America, as countless witnesses testified? Or “read hearts” before penitents spoke? What of the stigmata, Christ’s wounds imprinted on Padre Pio’s hands, feet, and side? John Paul II, who as a young man visited Pio, never mentioned these extraordinary elements at the canonization. Instead, the pope spoke of “trials accepted with love,” referring perhaps to sanctions restricting Pio’s faculties for hearing confessions and celebrating public Mass, imposed because of criticism, later discredited, sent to the Vatican; of Pio’s offering his sufferings in union with Jesus’ passion for a suffering world; of his continual availability to sinners seeking direction and absolution; of Padre Pio’s prayer that blossomed in charity, especially through his House for the Relief of Suffering, a healthcare facility that anticipated by decades today’s holistic partnering of medical science and spirituality. Finally, how comforting for us ordinary Christians, this extraordinary saint’s most frequent advice: “Pray, hope, and don’t worry!” - Copyright © J. S. Paluch Co.
