From the

Pastor's Desk

Dear Brothers and Sisters in Christ Jesus,

The beginning of July marks the one-year anniversary since I arrived here at Baileyville and St. Benedict as your pastor. Usually the first year of a priest's new assignment is one of learning and therefore goes rather slow. Honestly speaking, I can hardly believe that I have been here for a year already. It has been a wonderful time for me serving God together with you. Celebrating sacraments for you, visiting the sick in the hospitals and the homebound, celebrating masses in the nursing homes, conducting the Bible Study programs, vacation bible school, construction projects at St. Benedict, parish picnics, riding on combines, learning gardening skills, riding bicycle and of course the time I spent at the Beaver's! High-fiving the children after the masses, exchanging a quick joke with parishioners, I truly do feel like I am experiencing the joy of the Gospel among you.

I am grateful to all of you. I ask for and appreciate your continued commitment to and support of our parish through your time, talent and treasure as your schedule allows. I look forward to the coming year being one in which we continue to grow in our faith in the Lord and in the knowledge and love for one another while reaching out to others with the proclamation of the gospel. Please pray that God will keep me faithful to what he has called me to be & do as I continue to lift you up in my prayers! God Bless!

Rosary at the grotto!

Come, join us to the beautiful tradition of praying the rosary at the Grotto every Wednesday at 7:30pm in the summer months in St. St. Benedict.

TREASURES FROM OUR TRADITION

Last week's Treasure mentioned the "Nuns of the Battlefield," religious sisters from several communities who served as nurses in the Civil War. Florence Nightingale had only instituted female nurses a decade before in the Crimean War, so the idea of women tending to wounded soldiers was extraordinary. The medical and sanitary conditions on the battlefields were appalling, and the sisters were nearly all teachers. Few had any medical training beyond what they had learned as youngsters in the family. Anti-Catholic prejudice was so deeply entrenched in America that sisters could not wear their habits in public. These sisters were the first, and people on both the Union and Confederate sides soon began to marvel at their bravery, efficiency, and respect for Protestant soldiers. More than six hundred sisters from twenty-one communities went to war, serving in wretched conditions. They were tough and single-minded, efficient and fearless.

After the war, sisters could appear in public everywhere in the reunited nation, and often received the praise and gratitude of grateful soldiers and family members on behalf of their sister nurses. An outdoor . Rev. James Field, © J. S. Paluch Co.
